- Theft is not supported by the policy unless it is supported by a Police Crime Reference Number (it will be the responsibility of the parent/carer to acquire this prior to making a claim). All claims must be submitted to the insurers within 14 days of the loss/theft occurring. You may wish to consider adding the device to your own household insurance policy.
- All claims must be submitted to the insurers within 14 days of the damage occurring. Damaged chargers, cases and cosmetic damage to devices are not covered under the insurance policy.
- **Pupils who make more than one insurance claim, will be charged 50% of the damage cost for a second claim, any subsequent claims will be charged at 100%.**
- Loss/theft of an iPad due to neglect is not a valid insurance claim and full replacement cost will be charged to the parent/carer.
- Please also note that iPad cases are insured and are a prerequisite for the insurance to be valid. All iPads must be always kept in the assigned case. **If the case is deliberately damaged or defaced, the cost of a replacement will be the responsibility of the parent/guardian. The cost of a new case is £31.20 (incl. VAT).**

- Warranty/insurance repairs will need to be completed off site and will be carried out within 15/20 working days, respectively.

Lease guidance:

- The devices are leased by the school and thus remain the property of the school for the duration of the lease.
- At the end of the lease period parents/carers will have the opportunity to purchase the device outright for a fair market price.
- All other pupils are expected to return their iPad at the end of the lease period (in the same condition as it was given. This means with keyboard case, charging cable and plug. Failure to return each part in working order will incur a cost to the parent/carer.
- If the pupil leaves the school before making the last payment for any reason the iPad must be returned to the school in full working order including all accessories.
- Pupils will be notified when they are nearing the end of the lease period so that they can ensure they have everything they need and know when and where to return the device to.
- Pupils who do not return all elements required, or who return a damaged device will be charged accordingly.
